

# ALFZ53IF

32" x 23.63" x 22.63" (H x W x D)

24 in. wide frost-free built-in undercounter ADA compliant all-freezer with panel-ready door, black cabinet, lock, and digital controls; matches AL54PNR refrigerator

### Highlights:

- 32" height allows easy installation under lower ADA compliant counters
- Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry
- True frost-free operation saves you maintenance by preventing icy buildup

### Product Features:

|                                                           |                                                                                                                                  |
|-----------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide ADA Height Freezer                               | 24" wide frost-free freezer sized to fit under lower ADA compliant counters                                                      |
| ADA compliant design                                      | 32" height allows easy installation under lower ADA compliant counters                                                           |
| Custom style                                              | Door accepts overlay panel, allowing you to seamlessly blend the refrigerator into your space                                    |
| Built-in capable                                          | Make the best use of space by installing your freezer under the counter and flush with other cabinets                            |
| Panel-ready door                                          | Customize this unit using the included 2-piece bracket system (panel size: 23.4" W x 28.38" H at 3/4" thick and 10 lbs. maximum) |
| Easy panel installation with included 2-piece bracket kit | Enhanced panel execution allows the unit to be flush with cabinets                                                               |
| Stainless steel door                                      | Fully finished door also allows you to choose a traditional stainless steel front if not installing an overlay panel             |
| Fully articulating hinge                                  | European style hinge design ensures a flush fit and allows for a smoother opening                                                |
| Frost-free operation                                      | No-frost convenience eliminates the need to manually defrost the unit                                                            |
