

# ARG61PVBIADADR

31.75" x 23.38" x 25" (H x W x D)

Performance series Pharma-Vac 6 cu.ft. ADA height glass door all-refrigerator for the display and refrigeration of vaccines three removable ventilated drawers; designed for recessed or freestanding installation

## Highlights:

Sized just under 32" high to fit under lower ADA compliant counters

Intelligent microprocessor digital temperature controller

Improved temperature accuracy with a separate temperature probe for continuous product readout to simulate stored product temperature

## Product Features:

|                                   |                                                                                                                                                                                      |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose-built design              | Designed and purpose-built for pharmacy, medication, and vaccine applications to support meeting CDC/VFC/VFA guidelines                                                              |
| ADA Compliant                     | Just under 32" tall designed to fit under ADA compliant counters                                                                                                                     |
| Recessed or freestanding use      | Versatile design allows recessed installation under counters or freestanding use                                                                                                     |
| +/-1°C Variation                  | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period |
| Full-extension ventilated drawers | Three drawers made from powder-coated aluminum glide out smoothly for convenient storage, with perforated bottoms to ensure proper air circulation                                   |
| Removable drawers                 | Drawers can be easily removed for convenient transporting of contents to a lab counter or work station                                                                               |
| Commercial design                 | Meets UL-471 commercial standards                                                                                                                                                    |
| Adjustable temperature            | Intuitive controls let you adjust the interior temperature between +2°C to +8°C                                                                                                      |
| Temperature alarm                 | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                          |

## ARG61PVBIADADR Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 32.0" (81 cm)      |
| Height of Cabinet          | 31.75" (81 cm)     |
| Nominal Width              | 24.0" (61 cm)      |
| Width                      | 23.38" (59 cm)     |
| Width with Door Open       | 23.88" (61 cm)     |
| Nominal Depth              | 25.0" (64 cm)      |
| Depth                      | 25.0" (64 cm)      |
| Depth with Handle          | 26.75" (68 cm)     |
| Depth with door at 90°     | 47.0" (119 cm)     |
| Capacity                   | 6.0 cu.ft. (170 L) |
| Defrost Type               | Automatic          |
| Door                       | Glass              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Amps                       | 0.75               |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 140.0 lbs. (64 kg) |
| Parts & Labor Warranty     | 2 Years            |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101077895       |
| Refrigerator Features      |                    |
| Door Swing                 | RHD                |
| Reversible                 | Yes                |
| Shelf Type                 | Drawers            |
| Shelf Qty                  | 3                  |
| Adjustable Shelves         | Yes                |
| Thermostat Type            | Digital            |
| Fan Type                   | Interior           |
| Refrigerant Type           | R600a              |
| Refrigerant Amount         | 1.66oz.            |
| High Side PSI              | 280.0              |
| Low Side PSI               | 90.0               |
| Interior Light             | Yes                |
| Temperature Range          | 2°C to 8°C         |
| Dimensions                 |                    |
| Interior Height            | 24.5" (62 cm)      |

|                        |               |
|------------------------|---------------|
| Interior Width         | 20.0" (51 cm) |
| Interior Depth         | 17.0" (43 cm) |
| Compressor Step Height | 6.5" (17 cm)  |
| Compressor Step Width  | 20.0" (51 cm) |
| Compressor Step Depth  | 5.0" (13 cm)  |
