

Whirlpool Model: CESP2978JQ

Commercial Electric Stack Dryer, Non-Coin

Color White

Product Description

Get the capacity of two dryers in the space of one with the Whirlpool® Commercial Laundry Stack Dryer. With 7.4 cu. ft. capacity in each drum, this unit can handle more loads and give laundry facilities the durability and performance needed to withstand the heavy traffic of commercial laundry.

The Whirlpool® Commercial Laundry non-coin stack dryer is backed by a 90-day labor/2-year limited parts warranty.

*See whirlpool.com for warranty details.
