

# CL181WBVPNRLHD

33.75" x 17.5" x 22.75" (H x W x D)

18" wide built-in glass door commercial beverage center with panel-ready door trim

## Highlights:

Panel-ready door trim lets you blend the unit into your own cabinetry

Slim 18" width is perfect for home bars

Flexible design allows built-in or freestanding use

## Product Features:

|                                 |                                                                                                                                                                                                                                                         |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 18" Wide Beverage Center        | Undercounter glass door beverage refrigerator for built-in or freestanding use                                                                                                                                                                          |
| Commercially approved           | ETL-S listed to NSF-7 Standards and meets UL-471 for use in commercial establishments                                                                                                                                                                   |
| Built-in capable                | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                               |
| Panel-ready door trim           | European style articulating door hinge and 2-piece bracket kit allow easy installation of custom door trim panels to match adjacent cabinetry; recommended panel dimensions: 3/4" thickness at 30" H x 17 3/8" W with a 3 1/4" H x 3 1/4" W inner frame |
| Double pane tempered glass door | Heat-safe glass ensures your items are stored safely                                                                                                                                                                                                    |
| Popular commercial applications | Perfectly designed to store and display beverages in a variety of commercial settings, including energy drinks and water bottles in gyms, refreshments in lobbies, sparkling water and juices in restaurants, and much more                             |
| Digital thermostat              | Electronic controls for precise temperature management                                                                                                                                                                                                  |
| Digital display                 | Temperature readout can be shown in Celsius or Fahrenheit                                                                                                                                                                                               |
| Adjustable glass shelves        | Spill-proof glass shelves make it easy to store and display bottles and cans                                                                                                                                                                            |

## CL181WBVPNRLHD Specifications:

| Overview                   |                         |
|----------------------------|-------------------------|
| Nominal Height             | 34.0" (86 cm)           |
| Height of Cabinet          | 33.75" (86 cm)          |
