

# 36" FRENCH DOOR PANEL READY REFRIGERATION

## BUILT-IN, BOTTOM MOUNTED

Transform your kitchen with the ideal fusion of style, functionality, and cutting-edge innovation. Presenting our 36" French Door Panel Ready Refrigerator with Bottom Mount Freezer, featuring an expansive 16 CuFt Capacity.

This isn't just an appliance; it's a proclamation of contemporary living, offering substantial storage, customizable temperature control, and impeccable food preservation. Uplift your kitchen ambiance with a flawlessly integrated appliance, equipped with Panel Ready Capabilities and a distinctive 3D adjustment mechanism for a seamlessly flush installation. Redefine your kitchen experience with a touch of sophistication and practicality.

## PLUS FEATURES

**ARTICULATED HINGE** - Elica's articulating hinges enable a true zero clearance built in installation, giving a luxury flush

**QUIET OPERATION** - A speed-control motor, reduces exterior sound levels, while offering high ventilation performance to keep the constant interior temperature and dampening any possible vibration that could disturb the preservation of the wine or beverages.

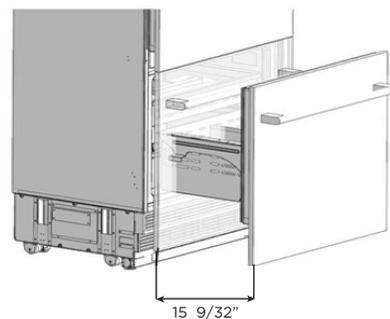

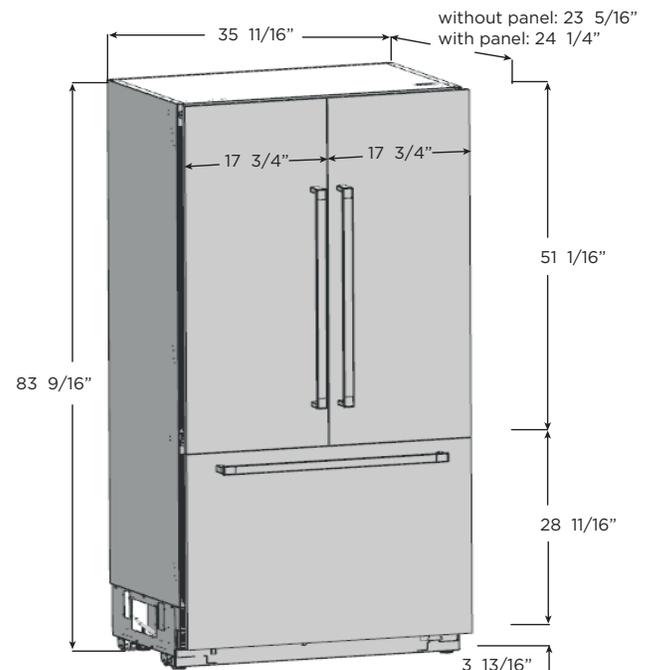

**PANEL READY** - Seamlessly integrate your undercounter drawer into your kitchen design by using custom panels that match your cabinetry. Elica's Panel Ready solution allows an easy and fast installation making it a perfect choice for those who values functionality and aesthetics.

**ECO-MODE** - Sustainable and environmentally friendly: Eco-Mode will maintain optimum interior temperature while saving energy consumption by turning the lights OFF.

**SMART STORAGE** - Design that optimize the interior space providing a flexible and customizable storage solution. With this feature, you can easily accommodate larger items and keep them secure, making it perfect for any modern kitchen.
