

# 30" Industrial Style Gas Range

800 Series – Stainless Steel HGS8057UC

**HGS8057UC**  
Stainless Steel

**30" Bosch Industrial Style Range with double ring burner.**

## Features & Benefits

Powerful 20,000 BTU double ring burner speeds cooking time.

Dishwasher safe grates for easy cleaning.

Dampened hinges softly guide the QuietClose® door shut so the oven door never slams.

Continuous grate design to easily move heavy pots and pans.

Illuminated knobs indicates when the burner is on, enhancing safety and monitoring .

Easy to view, ergonomic tilted display

## General Properties

|                |                                                           |
|----------------|-----------------------------------------------------------|
| Cooking modes  | Broil, Keep warm, Slow Cook, Proof, Convection bake, Bake |
| Cleaning type  | Catalytic clean                                           |
| Type of grate  | Cast iron                                                 |
| Interior light | 1                                                         |
| Kitchen timer  | Yes                                                       |
| Sealed burners | Yes                                                       |

## Oven Performance

|                               |                     |
|-------------------------------|---------------------|
| Bake / broil burner power BTU | 17,000 / 14,000 BTU |
|-------------------------------|---------------------|

## Burner Performance

|                                           |                         |
|-------------------------------------------|-------------------------|
| Total cooktop burners                     | 5                       |
| Total cooktop (NG / LP) BTU               | 54,000 / 52,000         |
| Power of front left burner (NG / LP) BTU  | 5,000 (OptiSim) / 5,000 |
| Power of back left burner (NG / LP) BTU   | 12,000 / 12,000         |
| Power of center burner (NG / LP) BTU      | 20,000 / 18,000         |
| Power of back right burner (NG / LP) BTU  | 5,000 / 5,000           |
| Power of front right burner (NG / LP) BTU | 12,000 / 12,000         |

## Technical Details

|                      |                                           |
|----------------------|-------------------------------------------|
| Circuit breaker      | 15 A                                      |
| Volts                | 120 V                                     |
| Frequency            | 60 Hz                                     |
| Plug type            | US 3-prong                                |
| Cord length          | 60" with plug                             |
| Energy source        | Gas                                       |
| Gas type             | Natural gas<br>14.9 mbar (USA)<br>[7" WC] |
| Alternative gas type | LP 27.4 mbar<br>(USA)[11" WC]             |

## Dimensions & Weight

|                                          |                                                      |
|------------------------------------------|------------------------------------------------------|
| Overall appliance dimensions (HxWxD)     | 36" x 29 15/16" x 24 41/64" (w/ bull nose 26 17/64") |
| Required cutout size (HxWxD)             | 36" x 30" x 25"                                      |
| Adjustable range height                  | 35 3/8" Min.<br>36 5/8" Max.                         |
| Oven cavity size                         | 4.9 cu. ft.                                          |
| Overall oven interior dimensions (HxWxD) | 17.40" x 24.33" x 18.42"                             |
| Usable oven interior dimensions (HxWxD)  | 17.36" x 24.21" x 17.16"                             |
| Appliance Net weight                     | 198 lbs                                              |

## Accessories—Included

Use and care manual, installation guide, LP conversion kit, 2 standard racks, anti-tip protection kit

† To be fully ADA compliant, these units must be installed according to ADA guidelines. Please check current ADA requirements for guidance on installation.
