INTRODUCTION

Luxury isn't meant to be desired - it's meant to be attainable. The ZLINE 15 in. Touchstone Gourmet Ice Maker with Drain Pump and Panel Ready Door (IGMDP-15) features cutting-edge freezing technology allowing you to craft creative cocktails, iced coffees, and more with restaurant-quality gourmet ice cubes. Designed with a fully wrapped, anti-sweat stainless steel exterior and a panel-ready door to match any custom indoor or outdoor installation, ZLINE Touchstone Ice Makers are masterfully crafted to elevate your entertainment game to new heights.

FEATURES & BENEFITS

Gourmet Ice Cubes - Innovative ice-making technology creates restaurant-quality gourmet cubes that won't cluster together or dilute drinks

Outdoor Compatibility - A fully wrapped 430-grade stainless steel exterior with an anti-sweat and waterproof design is compatible with outdoor installation amid ambient temperatures of 50–110°F

Touchscreen Display - Quickly change settings, activate a timed ice-making mode, and engage a child lock for additional safety with a state-of-the-art LED touchscreen

LED Illumination - Illuminate your expansive gourmet ice collection with 1 cool white LED light inside the appliance that turns off when the door closes

ENERGY STAR® Rated - Enjoy energy savings while maintaining professional power with superior insulation and an energy-reducing cooling system

Reversible Door - An easy-to-switch reversible door with articulating soft-closing hinges provides additional installation flexibility
