ZLINE
ATTAINABLE LUXURY®

INTRODUCTION

Luxury isn't meant to be desired - it's meant to be attainable. The ZLINE 15 in. Touchstone Gourmet Ice Maker with Drain Pump and Solid Stainless Steel Door (IGMD-ST-15) features cutting-edge freezing technology allowing you to craft creative cocktails, iced coffees, and more with restaurant-quality gourmet ice cubes. Designed with a fully wrapped, anti-sweat stainless steel exterior and durable stainless steel door perfect for indoor or outdoor installation, ZLINE Touchstone Ice Makers are masterfully crafted to elevate your entertainment game to new heights.

FEATURES & BENEFITS

Gourmet Ice Cubes - Innovative ice-making technology creates restaurant-quality gourmet cubes that won't cluster together or dilute drinks

LED Illumination - Illuminate your expansive gourmet ice collection with 1 cool white LED light inside the appliance that turns off when the door closes

Outdoor Compatibility - A fully wrapped 430-grade stainless steel exterior with an anti-sweat and waterproof design is compatible with outdoor installation amid ambient temperatures of 50–110°F

ENERGY STAR® Rated - Enjoy energy savings while maintaining professional power with superior insulation and an energy-reducing cooling system

Touchscreen Display - Quickly change settings, activate a timed ice-making mode, and engage a child lock for additional safety with a state-of-the-art LED touchscreen

Reversible Door - An easy-to-switch reversible door with articulating soft-closing hinges provides additional installation flexibility
