

12 cu. ft. frost free Retro refrigerator with bottom freezer

This chic Retro, frost-free refrigerator is a no-compromise solution for any space, and a call back to the 50's. A rich finish in four stunning colors drapes one of the most iconic refrigerator styles available today. With specially designed chrome handles and accents, a large bottom freezer, bright LED lighting, and easily adjustable shelves all enable the smallest space to reflect your style. Throw in an adjustable wine rack and a deep crisper drawer and you have an ENERGY STAR certified masterpiece fit for you.

AVAILABLE COLORS

Features and Benefits

Frost Free	Prevents the accumulation of ice and frost to keep the power consumption low.
Stunning 50's Retro design	A great way to bring your memories into modern day living
Adjustable four-bottle wine rack	Keep those bottles cool all the time and ready to access easily
Multiflow 360° technology	12 individual air vents circulate cool air more efficiently keeping your food at the ideal temperature.
Bottom mount freezer	With 3 spacious rollout drawers, keep your frozen items really cold and easily accessible
Chrome metal retro handles	Brings elegance and style and engineered to last.
Three adjustable glass shelves	Flexible and perfect for quick reconfigurations to fit bottles, cans or tall foods, especially in the door.
Deep crisper drawer	For storing and easily accessing your fresh produce
Electronic control panel	Bright LED lighting, makes controlling your fridge easy
12 cu. ft. capacity	8.5 cu.ft. of cool fresh food drawers and shelves, plus 3.5 cu.ft. of frost-free freezer drawers.
ENERGY STAR certified	Energy efficiency saves money and protects the environment. (E-Star)
Alarms	Open door alarm notifies you when the door is left open
