10 Cu. Ft. 24" Width Built-In Panel Ready Bottom Mount Refrigerator

Color  Panel Ready

### Product Description

This built-in panel ready bottom mount refrigerator integrates seamlessly with your cabinetry, and the 24" width is perfect for smaller kitchen spaces. The Dual Evaporator offers two independent cooling systems that provide a dedicated refrigeration unit to help keep food fresh longer, and a separate system for frozen food. And LED lighting illuminates the interior for better visibility to ingredients.
