Built for Reliable Performance

Speed Queen® single load dryers are durably constructed using premium materials for long-lasting, reliable performance and superior wash results. If you want your laundry done right, you want a Speed Queen. Our machines are manufactured using metal instead of plastic. They're built with rugged, commercial-grade construction and pushed beyond their limit in our state-of-the-art test lab, ensuring unmatched durability. Our world-class test lab rigorously pushes our products far beyond the conditions they're likely to ever face. We work hard at every point of our manufacturing process to ensure that our machines reflect that belief. Front load products have met every design standard to be 100% ADA compliant.
