

# MB13GLSS

20.25" x 15.88" x 16.75" (H x W x D)

Compact minibar designed for the display and refrigeration of beverages and sealed food, with a reversible glass door, seamless stainless steel trim, front lock, and black cabinet

### Highlights:

- Compact size is ideal for use in hotels and suites
- Double pane tempered glass door with seamless stainless steel trim elevates your presentation
- Quiet compressor-based cooling system keeps stored items cold

### Product Features:

|                                    |                                                                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| In-Room Minibar                    | Compact and quiet all-refrigerator ideal for use in hotel rooms                                                                       |
| Compact dimensions                 | Slim fit offers the ideal choice for hotel rooms and other settings with limited counter and cabinet space                            |
| Double pane tempered glass door    | Ideal for displaying stored contents to your guests                                                                                   |
| Seamless stainless steel door trim | Single-piece door trim offers a more deluxe look                                                                                      |
| Commercial design                  | Meets UL-471 commercial standards                                                                                                     |
| Digital controls                   | Easy temperature management with a digital control panel that lets you choose between six temperature levels at the touch of a button |
| Compressor-based cooling system    | Quiet operation with a true refrigeration system that keeps stored items cold                                                         |
| Quiet operation                    | Runs at just 33.5 dB for a quiet performance that won't disturb your guests                                                           |
| Factory installed lock             | Front lock offers convenient security                                                                                                 |
