

Maytag Model: MED6205RF

7.4 cu. ft. Smart Top Load Dryer with Extra Power

Color  Midnight Steel

Product Description

Extra Power boosts drying power to get thick fabrics drier the first time.* Advanced Moisture Sensing monitors inside moisture and air temperatures to help evenly dry loads. Dry a small load fast with the Quick Dry cycle, which pairs nicely with the Quick Wash cycle on select Maytag® washers to get clothes ready in no time. The Wrinkle Prevent option runs for up to 150 minutes after the cycle has ended to keep wrinkles from forming as the dryer continues to tumble. Smart features help you stay in control and efficiently manage laundry from anywhere.** Use the Maytag™ app to remotely start or stop your appliance and get end of cycle notifications so no load is left behind. Plus, troubleshoot select issues to avoid unnecessary service calls.

*Results may vary based on load size and type.

**WiFi & App Required. Features subject to change. Details & privacy info at maytag.com/connect. Appliance must be set to remote enable.
