

# SCF505SSTBADA

32" x 19.75" x 22.5" (H x W x D)

20" wide built-in undercounter ADA compliant commercial all-freezer with stainless steel door, front lock, and white cabinet

### Highlights:

Meets NSF-7 standards for use in commercial foodservice establishments

Just 32" high for an easy fit under lower ADA compliant counters

Slide-out storage baskets with plastic fronts help to protect stored contents from warmer ambient temperature

### Product Features:

|                               |                                                                                                                                                                                                                            |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Commercially listed           | ETL-S listed to ANSI-NSF Standard 7 for commercial use                                                                                                                                                                     |
| ADA compliant design          | 32" height allows easy installation under lower ADA compliant counters                                                                                                                                                     |
| Built-in capable              | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                  |
| Professional towel bar handle | Curved handle in brushed stainless steel offer an easier grip and attractive style                                                                                                                                         |
| Factory-installed lock        | Located towards the top of the door for easy access and to provide added security of unit (2 keys included)                                                                                                                |
| Adjustable digital thermostat | Electronic controls located in the front kickplate for easy & institutive temperature management, with a readout in Fahrenheit or Celsius                                                                                  |
| Basket shelves                | Three slide-out baskets offer convenient storage, with plastic fronts to help protect contents from warmer air when the door is opened                                                                                     |
| 3" thick door                 | Improved insulation for an efficient performance; NOTE: due to the oversized design, the door does not open in its own radius. If installing this freezer against a wall, please see our drawings to ensure adequate space |

|                    |                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------|
| Temperature alarms | User-set high/low temperature alarms provide added security if temperature goes beyond setpoint |
|--------------------|-------------------------------------------------------------------------------------------------|

# SCF505SSTBADA Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 32.0" (81 cm)      |
| Height of Cabinet          | 31.75" (81 cm)     |
| Height to Hinge Cap        | 32.0" (81 cm)      |
