

TWO Year Limited Warranty

Thank you for choosing a Verona appliance for your home.

EuroChef warrants to the original purchaser ("Purchaser") of this product (the "Product"), for a period of two (2) years (except for certain components identified below) from the date of original purchase, that the Product is free from defects in workmanship and materials. This warranty covers all parts and labor required to repair or replace any part of the Product that proves to be defective under normal residential use. To be eligible for this warranty, the Product must be: (i) sold to Purchaser as new product to the original owner by an authorized distributor, retailer, dealer, or service center of Verona Appliances and (ii) installed in the United States. The warranties provided in this statement are not transferable and are valid from the date of purchase.

This limited warranty is valid only provided that written notification of a defect, as well as a copy of the original receipt for the defective Product, is received by EuroChef from Purchaser within thirty (30) days of identification of the defect. EuroChef (who may appoint 3rd party agents to act on its behalf in connection with any Product inspection or provision of warranty services hereunder) reserves the right to inspect the Product and its installation. The purchaser is responsible for providing EuroChef authorized service providers and/or representatives with access to the premises at which the Product is installed, and such other information and materials as EuroChef may request, shall be a condition to any claim hereunder. If EuroChef determines that a defect in the Product is covered by this limited warranty, it will, at its expense and as its sole and exclusive obligation for breach of this limited warranty, and Purchaser's sole and exclusive remedy, repair or replace the defective Product. If EuroChef determines that an alleged defect in the Product is not covered by this limited warranty, it shall not have any obligation to repair or replace the Product.

EuroChef will initially attempt to repair any defect in its Products. Only if a Product cannot be repaired after 3 attempts for the same issue by a EuroChef authorized service provider may the Product be replaced with a new Product from EuroChef. In the event EuroChef determines that a defective Product must be replaced, the original retailer on the bill of sale will be contacted to process a replacement order. In the event that EuroChef determines a Product is irreparable, replacement approval may take up to 30 days.

For instances where a Product is installed in a remote area outside of EuroChef's authorized network of service providers, Purchaser is responsible for the travel expenses and associated out-of-pocket costs of EuroChef's authorized service provider. In the event that a product installed in a remote location is deemed to need replacement, the Purchaser is responsible for all delivery costs and risk of loss associated with transportation of the Product to the Purchaser's location.

The Purchaser is responsible for establishing that the appliance has been installed in accordance with all directions and installation instructions included with the Product's accompanying materials at time of purchase. EuroChef shall have no obligation to render any services to correct issues caused by an Installer's failure to follow all directions and instructions. Any expense of repair deemed to be caused by faulty installation shall be payable by Purchaser at EuroChef's then current rates.

A Products' exterior paint and/or lacquer must be cared for according to the instructional materials provided with the Product at time of purchase. If those instructional materials are not followed or harsh chemicals are used, any damages and subsequent repairs to a Product's paint and/or lacquer are not covered by this warranty.
